## Make the Center Appliqué

*Tip: The monogram letter in the center of the quilt is done as an appliqué. We have chosen the first letter in the family name, used a computer font we liked and printed it large on a printer to use as a template. Use your favorite font or draw your own monogram.*

The “A” we have used is found as a template at page 9.

Print out template for the letter “A” (found on page 9).  
Tape the pieces of the template together.

Trace the mirror image of the letter “A” onto the paper side of the fusible webbing.

Fuse onto the wrong side of the 14” x 14” (35.5 x 35.5cm) white tone-on-tone fabric.

Cut out the letter on the drawn line.

Remove the paper backing. Position the letter on the diagonal on the center section. Press in place.

Place INSPIRA® Tear-A-Way stabilizer behind the block and pin in place (illustration 3).

Thread your machine with rayon thread on top and bobbin thread in the bobbin.

Remove the Quilter’s ¼” Piecing foot.

Snap on the Open Toe foot.

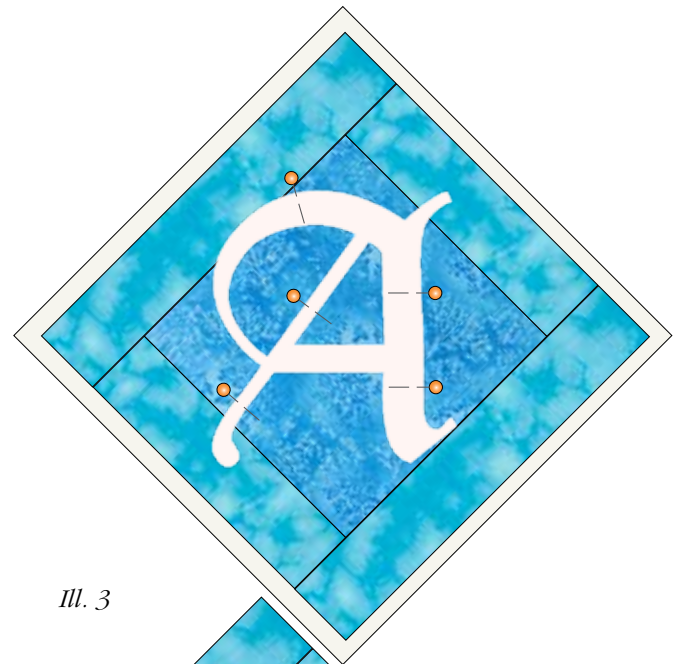

Choose Satin Stitch B2 (960Q) 1:38 (930).

Satin stitch around the letter (illustration 4).

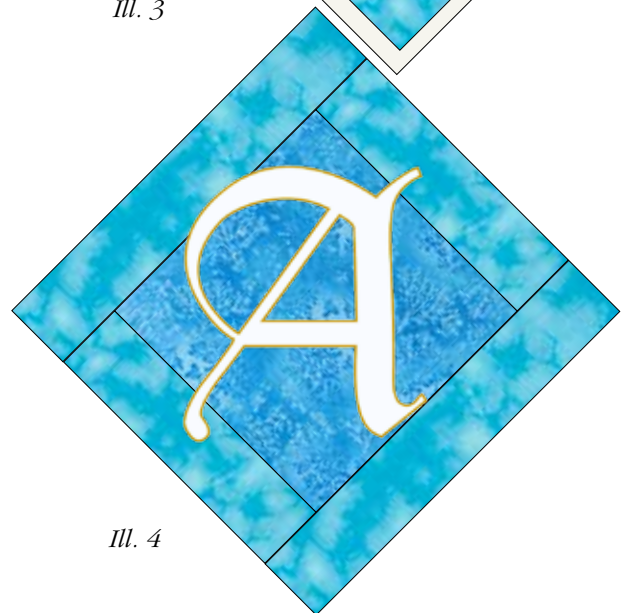

Choose Quilt Stitch D3 (960Q) 2:19 (930).

Mirror the stitch side to side.

Stitch around the satin stitch with this quilting stitch for an interesting appliqué effect. Tear away the stabilizer (illustration 5).

## QUILT YOUR QUILT

### *Stitch in the Ditch*

Layer your quilt top, batting and backing forming a quilt “sandwich”. The backing should be right side down, then the batting and the quilt top right side up on top. Pin baste the quilt through all the layers using safety pins.

Remove the Quilter’s ¼” Piecing foot. Attach the Interchangeable Dual Feed foot and snap on the Changeable Decorative foot.

Thread your machine with rayon thread on top and sewing thread in the bobbin.

Choose Quilt Stitch D5 (960Q) / 2:13 (930). Quilt by stitching in the ditch between the borders (illustration 20).

Ill. 20

### *Free-Motion Stippling*

Remove the Interchangeable Dual Feed foot. Attach the Open Toe Free Motion Spring foot (refer to the User’s Guide on how to set up for Free Motion Spring Action sewing).

Stipple quilt the medium blue fabric around the appliqué letter “A” (illustration 21).

Ill. 21

## BIND AND FINISH THE QUILT

Remove the Open Toe Free Motion Spring foot. Snap on the B foot. Select a 3-Step Zig Zag and stitch around the edge of the quilt top.

Trim the excess backing and batting even with the edge of the quilt top.

### *Binding*

Remove Utility Foot B. Snap on the Quilter’s ¼” Piecing Foot.

Sew the binding strips together into one long strip. Press the seams open. Fold the binding in half lengthwise, wrong sides together, and press.

Place the binding on the right side of the quilt with the raw edges even. Stitch the binding in place around the quilt.

Remove the Quilter’s ¼” Piecing foot and snap on the Edge/Joining Foot.

Fold the folded edge of the binding to the wrong side of the quilt. Stitch from the right side, letting the flange from the Edge/Joining Foot ride in the ditch between the binding and the quilt.
